

Heavy Duty Multi Surface Cleaner Degreaser

USE.

Heavy Duty Multi Surface Degreaser is a powerful versatile, food safe cleaner and degreaser. Specially formulated to dissolve and remove grease and grime leaving a spotless finish. For use in most areas including Bakeries, Breweries and Abattoirs. Can also be used due to its versatility in the Engineering Industry, Print Works, Hospitals and Machine Shops. Ideal for the general cleaning of floors, walls (interior and exterior), paths and roofs.

DIRECTION.

Wear protective gloves. Use undiluted for really stubborn grime. Heavy duty cleaning: Dilute 1:10. Hard surface cleaning: Dilute 1:50. Light cleaning: Dilute 1:200. Use hot or cold water dependant on the level of soiling. Apply to the surface using spray, mop, brush, cloth or machine. Leave to react for a few seconds and then wash or wipe off the dirt with a hose, mop or damp cloth, rubbing stubborn marks. Rinse the mop or cloth frequently in clean water. Vertical surfaces should always be cleaned from the bottom up to avoid unsightly streaking.

DANGER.

Causes severe skin burns and eye damage. Wear protective gloves/eye protection. IF SWALLOWED: Rinse mouth. Do NOT induce vomiting. IF ON SKIN (or hair): Remove / take off immediately all contaminated clothing. Rinse skin with water / shower. IF INHALED: Remove person to fresh air and keep at rest in a position comfortable for breathing. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to. Continue rinsing. Contains (amongst other ingredients): 5% - 15% Aliphatic Hydrocarbons, less than 5% Amphoteric Surfactants, Nonionic Surfactants.

TRANSPORT.
