DELTA DP200 NATURAL BASED CHEWING GUM REMOVER INFORMATION SHEET

USE:

A natural based cleaner for safely and easily removing chewing gum and sticky labels. Safe to use on fabrics, carpets, painted surfaces, wood and plastic laminates, inside or outside.

DIRECTIONS:

Do not dilute. Apply by spray to affected areas. On carpets, apply sparingly and agitate gum using a plastic scraper or nylon scouring pad. On fabric seating, spray and agitate with a nylon scouring pad until all traces of gum are removed. On general flooring surfaces; spray gum, remove bulk with a sharp scraper, spray any remaining residues and agitate with a nylon scouring pad. Wash floors down after cleaning with a detergent solution. To remove sticky labels; spray product and agitate with a nylon scouring pad, wipe clean using a cloth moistened with product.

TECHNICAL:

State:	Liquid
Colour:	Colourless
Odour:	Characteristic odour
Oxidising:	Non-oxidising (by EC criteria)
Solubility in water:	Soluble
Viscosity:	Non-viscous
Boiling point/range°C:	100
