

HARD SURFACE CLEANERS

1738/00
5 LITRE

FOOD SAFE SOLVENT FREE CLEANER INFORMATION SHEET

USE:

An effective cleaner that cleans the heaviest build-ups of grease and grime from most hard surfaces. Being free from solvents it is ideal for use in kitchens and food preparation areas.

DIRECTIONS:

Wear protective gloves. Dilute 1 part with 10 parts of water for heavy duty cleaning. Dilute 1 part with 100 parts of water for general purpose cleaning of hard surfaces. Apply to the surface with mop or cloth, leave to react for a few seconds and then wipe off the dirt with the mop or cloth, rubbing stubborn marks. Rinse the mop or cloth frequently in clean water. Vertical surfaces should always be cleaned from the bottom up to avoid unsightly streaking. When dry, surfaces may be polished with a dry cloth. Never use neat and always rinse off.

TECHNICAL:

State:	Liquid
Colour:	Colourless
Odour:	Characteristic odour
Oxidising:	Non-oxidising (by EC criteria)
Solubility in water:	Soluble
Viscosity:	Non-viscous
Boiling point/range°C:	100
Flash point°C:	>93
pH Level:	<11.5

PERSISTENCE AND DEGRADABILITY: The surfactants in this product comply with the biodegradability criteria as laid down in Regulation (EC) No. 648/2004 on detergents. Data to support this assertion are held at the disposal of the component authorities of the Member States and will be made available to them at their direct request or at the request of the detergent manufacturer.
