5 LITRE & 750ML

GRAFFITI REMOVER INFORMATION SHEET

USE:

A blend of low toxic solvents that will remove a wide range of paints, crayons, pencil and inks from felt tip and ball point pens. Suitable for use on all solvent resistant surfaces.

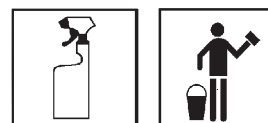

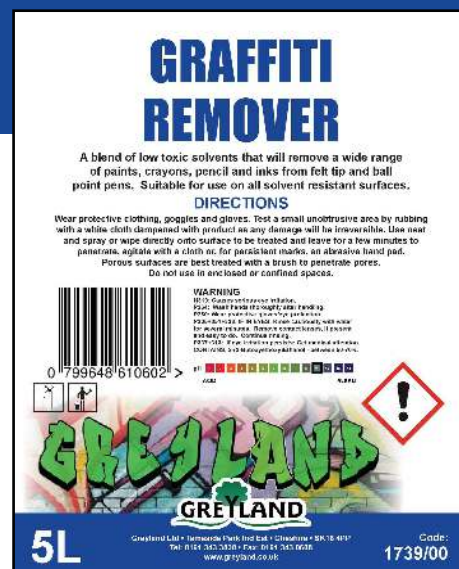

DIRECTIONS:

Wear protective clothing, goggles and gloves. Test a small unobtrusive area by rubbing with a white cloth dampened with product as any damage will be irreversible. Use neat and spray or wipe directly onto surface to be treated and leave for a few minutes to penetrate, agitate with a cloth or, for persistent marks, an abrasive hand pad. Porous surfaces are best treated with a brush to penetrate pores. Do not use in enclosed or confined spaces.

TECHNICAL:

State:	Liquid
Colour:	Colourless
Odour:	Characteristic odour
Oxidising:	Non-oxidising (by EC criteria)
Solubility in water:	Soluble
Viscosity:	Non-viscous
Boiling point/range°C:	100
Flash point°C:	>93
pH Level:	n/a

PERSISTENCE AND DEGRADABILITY: Not biodegradable.
